

## TANDRIDGE CANOE & KAYAK CLUB

### Single Use Equipment Loan Form

#### Objectives

- To enable members to take part in trips and events, making a contribution to wear and tear of the kit borrowed.
- To give members an opportunity to try different types of boat and different types of paddling (eg slalom, freestyle, whitewater) before buying a boat of their own.
- To cater for growing young people.

#### Single Use Equipment Loan

- Fee: £8 per day/weekend of use.  
£20 per full week of use (see below).
- You must pay the fee BY CHEQUE before or when you collect the kit, not afterwards.
- Please make your cheque payable to Tandridge Canoe and Kayak Club. If paying cash, you should request a receipt from the Treasurer.

#### Conditions

- Usage:**  
**You should read the “Kayaking in Safety” guidance notes, which are downloadable from the website.**  
If you are transporting a kayak yourself we will check that you have (and know how to use) the correct equipment - roof bars and straps, padding (for slalom kayaks) etc.
- Care, condition / damage:**  
**You must look after the kit you borrow and repair any damage you cause.**  
You must hand all items back in an acceptable condition (e.g. fittings all sound and secure, leaks attended to, tears or holes in spraydecks repaired with Black Witch or similar).  
**You may be charged if kit has not been correctly treated or looked after.**
- Loss, fire or theft:**  
**If stolen / lost / destroyed, you will be required to replace by equivalent kit OR repay the full value of boat and kit to the Club.**
- Availability:**  
You may collect kit in advance of your trip without additional charge.  
You will be charged £8 per day or weekend of use.  
If you use kit for a full week, eg in France, the fee is £20.
